GLOBAL STUDIES

UA Jakarta

Global Studies students can satisfy their **International Immersion Requirement** by spending a semester or academic year in Jakarta, Indonesia! This multicultural capital city is embellished with glimmering skyscrapers, and energetic streets. You'll take courses on Sampoerna University's modern campus and get to experience Jakarta's frequent cultural celebrations and enjoy its incredible sweet and spicy food. Be sure to explore nearby islands and other areas of Southeast Asia while you're studying abroad at UA Jakarta.

The University of Arizona partners with Sampoerna University to provide you with a study abroad experience that gives you the ability to choose from a range of courses for your major, minor, general education, and elective requirements. You'll pay your regular UArizona tuition and be able to use your financial aid, including **AZ Excellence** and **Wildcat excellence** awards in the fall and spring semesters!

To make the process of choosing courses easier for you, the Global Studies Department pre-approved the following list of courses to satisfy certain requirements in your Global Studies major. Keep in mind, course offerings vary each semester and new courses are often added so if you find a course that's not on this list, that's okay! Consulting with your academic advisor is the best way to choose which courses you can take while abroad and ensure your schedule helps you progress towards graduation!
