

Summer 2022 Enrollment Requirements

Updated 5/2/2022

There is no restriction on the number of online classes that count toward full-time enrollment for maintaining Active SEVIS status. Students on Main Campus can enroll in 100 percent online coursework and maintain Active status in SEVIS, however, new students who intend to enroll in 100 percent online coursework may face difficulties obtaining an F-1 visa or entering the U.S. for the summer term.

Students Completing in Summer

- You must enroll in at least one class during your final session of enrollment.

Students Beginning in the Summer

- If your I-20 start date is in May or June, you must complete 6 units.
- If your I-20 start date is in July, you must complete 3 units.
