Study Abroad

UA Athens

DATA SCIENCE AND STATISTICS & DATA SCIENCE

Study abroad in Greece and explore your B.S. Data Science or B.A. Statistics & Data Science major through a global lens. At UA Athens, hosted by the American College of Greece, you can choose from a variety of English taught courses to satisfy your degree requirements, including required general education and lab science courses, with the approval of your academic advisor. To make choosing courses easier, faculty in the Mathematics Department preapproved courses to satisfy many of your Data Science and Statistics & Data Science major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies by semester and can be subject to change.

Always keep in mind, every student is on a different path towards graduation, so the best way to plan for studying abroad is to work directly with your academic advisor to discuss which courses will be best for your academic and professional goals.

Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting studyabroad.arizona.edu/global-tracks.

When choosing courses, always consult with your academic advisor. Course availability is subject to change and new courses are added often. If you see a course that is not on this preapproved list, that's okay! Your academic advisor can help you facilitate further course evaluations while you prepare to go abroad.

UA ATHENS COURSE	APPLICABILITY TO DATA SCIENCE AND STATISTICS & DATA SCIENCE MAJORS
MA 2131: Calculus I	MATH 122B: First-Semester Calculus
MA 2240: Calculus II	MATH 129: Calculus II
MA 2027: Linear Algebra	MATH 215: Introduction to Linear Algebra
MA 3345: Calculus III	MATH 223: Vector Calculus
MA 2025: Applied Statistics for Sciences	MATH 263: Introduction to Statistics and Biostatistics
ITC 2088: Computer Programming I	CSC 110: Intro to Computer Programming I
ITC 3160: Database Design	CSC 460: Database Design

B.S. Data Science Students: You may also consider taking these preapproved lab science courses at UA Athens.

UA ATHENS COURSE	APPLICABILITY TO DATA SCIENCE AND STATISTICS & DATA SCIENCE MAJORS
BI 1101: Introduction to Biology II	ECOL 182R & 182L: Introductory Biology II with Lab
CH 1002: Principles of Chemistry	CHEM 151: Chemical Thinking I
CH 2015: General Chemistry	CHEM 152: General Chemistry
