

ENGINEERING MAJORS

Spend a semester abroad in Greece and study engineering through an international lens. At UA Athens, hosted by the American University of Greece, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education, with the approval of your academic advisor. To make choosing courses easier, faculty in the College of Engineering preapproved courses to satisfy many of your engineering major requirements.

The best part is, you'll pay your regular University of Arizona tuition and get to use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies by semester and can be subject to change.

Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting studyabroad.arizona.edu/global-tracks.

UA ATHENS COURSE	APPLICABILITY TO ENGINEERING MAJORS
BI 1101: Intro to Biology II	ECOL 182R/L: Intro to Biology I & Lab
CH 1002: LE Principles of Chemistry	CHEM 151: Chemical Thinking I
CH 2015: General Chemistry	CHEM 152: Chemical Thinking II
CH 3220: Organic Chemistry	CHEM 241A: Lectures in Organic Chemistry
CH 3330: Organic Chemistry Laboratory I	CHEM 243A: Organic Chemistry Laboratory I

When choosing courses, always consult with your academic advisor. Course availability is subject to change and new courses are added often. If you see a course that is not on this preapproved list, that's okay! Your academic advisor can help you facilitate further course evaluations while you prepare to go to UA Athens.

UA ATHENS COURSE	APPLICABILITY TO ENGINEERING MAJORS
MA 2130: Calculus I	MATH 125: Calculus I
MA 2240: Calculus II	MATH 129: Calculus II
MA 3345: Calculus III	MATH 223: Vector Calculus

UA ATHENS COURSE	APPLICABILITY TO ENGINEERING MAJORS
ITC 2024: Computer Networks & Cybersecurity Fundamentals	ELCR Department Elective, Lower Division May satisfy a Software Engineering Tech Elective
ITC 2193: Operating Systems Concepts	ELCR Department Elective, Lower Division May satisfy a Software Engineering Tech Elective
ITC 2205: Software Engineering Practices	SFWE 101: Introduction to Software Engineering
ITC 3125: Mobile Applications Development	ELCR Department Elective, Upper Division May satisfy a Software Engineering Tech Elective
ITC 3233: Data Mining and Big Data	ELCR Department Elective, Upper Division May satisfy a Software Engineering Tech Elective
ITC 3338: Edge Computing	ELCR Department Elective, Upper Division May satisfy a Software Engineering Tech Elective
ITC 4057: Project Management	SIE 457: Project Management
ITC 4380: Artificial Intelligence Principles	ECE 479: Principles of Artificial Intelligence
ITC 4558: High Performance Computing	ELCR Department Elective, Upper Division May satisfy a Software Engineering Tech Elective
ITC 4568: Machine Learning	ELCR Department Elective, Upper Division May satisfy a Software Engineering Tech Elective
