

FASHION INDUSTRY'S SCIENCE & TECHNOLOGY

Study abroad in Italy and see Fashion Industry's Science & Technology through a global lens. At UA Florence, hosted by Institute for American Universities, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor.

To make choosing courses easier, faculty in the Norton School of Human Ecology preapproved courses to satisfy many of your Fashion Industry's Science & Technology major requirements. While these FITS Major Electives are already preapproved, collaborating with your academic advisor when choosing classes is always recommended.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies and can be subject to change.

Start planning by contacting your advisor: norton.arizona.edu/undergraduate/advising
