INFORMATION SCIENCE & eSOCIETY

Study abroad in Spain and study Information Science & eSociety through a global lens. At UA Madrid, hosted by Institute for American Universities, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the College of Information Science preapproved courses to satisfy many of your Information Science & eSociety requirements. The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.
