

MICROBIOLOGY

Study abroad in Greece and see Microbiology through a global lens. At UA Athens, hosted by the American College of Greece, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the Microbiology Department preapproved courses to satisfy many of your Microbiology major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.

Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting studyabroad.arizona.edu/global-tracks.

UA ATHENS COURSE	APPLICABILITY TO MICROBIOLOGY MAJOR
BI 1101: Introduction to Biology II	ECOL 182R & 182L: Intro Biology II Lecture and Lab Satisfies Supporting Coursework Requirement
CH 1002: Principles of Chemistry	CHEM 151: Chemical Thinking I Satisfies Supporting Coursework Requirement
CH 2015: General Chemistry	CHEM 152: Chemical Thinking II Satisfies Supporting Coursework Requirement
CH 3220: Organic Chemistry	CHEM 241A: Lectures in Organic Chemistry I Satisfies Supporting Coursework Requirement
CH 3330: Organic and Biological Chemistry Lab	CHEM 243A: Organic Chemistry Lab I Satisfies Supporting Coursework Requirement

Microbiology Major Elective Requirement: You may select up to a maximum of 6 units from this list. Please consult with your academic advisor for more information.

UA ATHENS COURSE	APPLICABILITY TO MICROBIOLOGY MAJOR
BI 3204: Human Genetics	ECOL 320: Genetics Satisfies MIC Major Core Elective
BI 3235: Cell and Molecular Biology	MCB 411: Molecular Biology Satisfies MIC Major Core Elective
BMS 3220: Microbiology and Infectious Disease	MIC Department Elective, Upper Division Satisfies MIC Major Core Elective
BMS 4530: Bioinformatics and Health Information Systems	ELCR Department Elective, Upper Division Satisfies MIC Major Core Elective
*BMS 4510: Allergy and Immunity	PSIO 431: Physiology of the Immune System Satisfies MIC Major Core Elective
BMS 4435: Pharmacology in Health and Disease	ELCR Department Elective, Upper Division Satisfies MIC Major Core Elective

*BMS 4510 at UA Athens receives a transfer equivalency to PSIO 431 at the University of Arizona. Please note this course is approved to satisfy a MIC Major Elective only when taken at UA Athens and is not considered a preapproved MIC Major Elective when taken elsewhere, including at the University of Arizona. Please discuss this course with your academic advisor prior to enrolling.

Note: If you plan to apply to a professional program such as a medical school or DVM program, you must consult with the school's admission team to ensure the courses you choose to take abroad will be accepted by your future program as there may be some restrictions on international credits in your application.
