

BS in Public Health: Required Coursework and Graduation Checklist for U of A Degree
2023-2024 Catalog

Disclaimer: These materials are intended as a reference for students enrolled in an educational program between the University of Arizona and the partner university listed. While every effort has been made to provide accurate and up-to-date information, policies, degree requirements, course codes, titles, and availability are subject to change without notice. Students are solely responsible for verifying their academic progress and must consult their academic advisor and the official University of Arizona catalog to ensure compliance with all degree requirements and policies. Students are held to the requirements and policies in effect for the term of their admission into their University of Arizona program.

NOTE: *In order to graduate from the University of Arizona, students must satisfy all general education and foundational coursework in addition to satisfying all graduation policies and protocols. **Requirements for the Universidad del Valle de México degree may vary. Please consult with your UVM advisor on the UVM degree requirements.***

Graduation Checklist (Check if applicable):

1. Have you completed **ALL** of the required coursework below with a “passing” grade? (students should obtain at least a “C” grade in courses taught by U of A and UVM. If a “D” or “E” grade is obtained in a U of A course, please contact your U of A advisor to discuss your academic status.) ☐
2. Have you completed the “Mid-Career Writing Assessment” by earning a B or higher in ENGL 108? If not, have you earned a B or higher in "LEIN0501A: Medical Technical English" at UVM? If not, please contact your UVM advisor about retaking either course ☐
3. Have you completed 120 total credits towards your degree? (You can view this total on the U of A Advisement Report on UAccess Student) ☐
4. Have you completed 42 upper division credits (300-400 level) towards your degree? (You can view this total on the U of A Advisement Report on UAccess Student) ☐
5. Have you completed 30 residence credits towards your U of A degree? (Applicable courses are in **red** below. You can determine completion in Course History in UAccess Student) ☐
6. Are at least 18 of those residence units (in **red**) upper-division (300-400 level) (You can determine completion in Course History in UAccess Student) ☐
7. Is your final **cumulative and major** University of Arizona GPA a minimum of 2.0? (You can view this GPA on the U of A Advisement Report on UAccess Student. It will comprise of the courses in red listed below.) ☐

NOTE: *University of Arizona GPA is calculated from U of A courses only. Universidad del Valle de México credits will not be included in the U of A GPA calculation. However, credits that you earned from Universidad del Valle de México College are included in the total units required to graduate.*

BS in Public Health: Required Coursework and Graduation Checklist for U of A Degree
