

THE UNIVERSITY OF ARIZONA  
Study Abroad

*UA Costa Rica*

# AGRICULTURAL TECHNOLOGY MANAGEMENT & EDUCATION

Get ready to go abroad and get ahead at UA Costa Rica! Our partner institution, Veritas University, offers a variety of English taught courses to choose from that may be used to satisfy major requirements, general education requirements, or general electives with the approval of your advisor.

The best part is, you get to pay your regular University of Arizona tuition and use your scholarships and financial aid, including **AZ Excellence** and **Wildcat Excellence** awards! Choose from pre-approved AGTE courses on the next page and keep in mind that courses numbered from 1000 to 2999 are lower division and courses numbered from the 3000 to 4999 are upper division.

The AGTE major offers multiple emphasis areas and courses at UA Costa Rica may satisfy emphasis area requirements in various ways. Though this Global Track is meant to be a helpful planning tool, it is always recommended that you work directly with your academic advisor when choosing courses to take abroad. Course availability varies per semester and can be subject to change.

*Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting [studyabroad.arizona.edu/global-tracks](https://studyabroad.arizona.edu/global-tracks).*
