

APPLIED HUMANITIES

Study abroad in Ireland and see Applied Humanities through a global lens. At UA Dublin, hosted by ILA Dublin, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses even easier, faculty in the Department of Public & Applied Humanities preapproved courses to satisfy many of your Applied Humanities major requirements. The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.
