# ARTS ADMINISTRATION MINOR

Study abroad in France and see Arts Administration through a global lens. At UA Aix-en-Provence, hosted by the Institute for American Universities, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your major academic advisor. To make choosing courses easier, faculty in the College of Fine Arts have preapproved courses to satisfy many of your Arts Administration minor requirements. Plus, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Course availability varies per semester and can be subject to change. The Arts Administration minor consists of 18 units. You must complete nine units of Arts Administration Foundations at the University of Arizona and may satisfy your remaining Arts Administration Explorations and potentially your Arts Administration Practical requirements at UA Aix-en-Provence, pending approval from your advisor.
