**Eller & John Cabot University  
Summer Program**

## BUSINESS MAJORS & MINORS

Take your business major or minor to Rome and study abroad at John Cabot University. Enroll in 3-6 units of pre-approved coursework during **Summer Session I**. You'll stay in one of Rome's most charming and historic neighborhoods, offering the perfect blend of local culture and easy access to campus. Choose from on-campus or nearby apartments, plus convenient meal plans — making your stay in Rome comfortable and stress-free.

Eller major students are eligible to enroll in upper-division business courses abroad after you have been professionally admitted to your major. Spring professional admission applicants are conditionally approved to complete upper-division business courses. Work directly with an Eller Global Advisor to discuss which courses will be best for your academic and professional goals. Eller minor students, please be advised that a minimum of nine units must be completed in residence, nine units must be upper division, and any transfer coursework must be approved through the Eller College Undergraduate Programs Office.
