

THE UNIVERSITY OF ARIZONA  
Study Abroad

**UA Athens**

## COMPUTER SCIENCE

Spend a semester in Greece and study Computer Science through a global lens. At UA Athens, hosted by the American College of Greece, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses even easier, faculty in the Department of Computer Science preapproved courses to satisfy many of your Computer Science major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.

*Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting [studyabroad.arizona.edu/global-tracks](https://studyabroad.arizona.edu/global-tracks).*
