

COMPUTER SCIENCE

Study abroad in Spain and see Computer Science through a global lens. At UA Madrid, hosted by Institute for American Universities, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses even easier, faculty in the Department of Computer Science preapproved courses to satisfy many of your Computer Science major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.

Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting studyabroad.arizona.edu/global-tracks.

UA MADRID COURSE	APPLICABILITY TO COMPUTER SCIENCE MAJOR
CIS 250: Microcomputer Architecture & Assembly Programming	CSC 252: Computer Organization
CIS 260: Computer Science II	CSC 120: Introductions to Computer Programming II
