

## COMPUTER SCIENCE

Study abroad in South Korea and see Computer Science through a global lens. At UA Seoul, hosted by Hanyang University, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses even easier, faculty in the Department of Computer Science preapproved courses to satisfy many of your Computer Science major requirements. The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.
