

CYBER OPERATIONS

Study abroad in Greece and see Cyber Operations through a global lens. At UA Athens, hosted by the American College of Greece, you can choose from a variety of classes to satisfy your degree requirements, including general education, with the approval of your academic advisor. To make choosing courses easier, faculty in the College of Information Science, preapproved classes to help satisfy your Cyber Operations major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use your scholarships and financial aid, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.

Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting studyabroad.arizona.edu/global-tracks.
