

# CYBER OPERATIONS

Study abroad in Australia and see Cyber Operations through a global lens. At UA Sydney, hosted by the University of Technology Sydney, you can choose from a variety of classes to satisfy your degree requirements, including general education, with the approval of your academic advisor. To make choosing courses easier, faculty in the College of Information Science, preapproved classes to help satisfy your Cyber Operations major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use your scholarships and financial aid, including **AZ Excellence** and **Wildcat Excellence** awards!

Course availability varies and can be subject to change. Refer to the program webpage for current offerings.
