

EMERGING TECHNOLOGIES IN SOCIETY

Study abroad in South Korea and see Emerging Technologies in Society through a global lens. At UA Seoul, hosted by Hanyang University, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the College of Information Science preapproved courses to satisfy your Emerging Technologies in Society major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Course availability varies by semester and may be subject to change. Refer to the program webpage for current offerings.
