

ENVIRONMENTAL SCIENCE

Study abroad in Australia and see your Environmental Science major through an international lens. At UA Sydney, hosted by the University of Technology Sydney, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the Environmental Science Department preapproved courses to satisfy requirements in your Environmental Science major.

Course availability varies by semester and may be subject to change. Refer to the program webpage for current offerings. *Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting studyabroad.arizona.edu/global-tracks.*
