## FOOD STUDIES

Study abroad in Spain and see Food Studies through a global lens. At UA Barcelona, hosted by Institute for American Universities, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the School of Geography, Development & Environment preapproved courses to satisfy many of your Food Studies major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.
