## GLOBAL EDUCATION MINOR

Spend a semester in Costa Rica and see your Global Education minor in an international context. At UA Costa Rica, hosted by Veritas University, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the College of Education preapproved courses to satisfy many of your Global Education minor requirements.

Plus, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Course availability varies per semester and can be subject to change.

When choosing courses, always consult with your academic advisor. Course availability is subject to change and new courses are added often. If you see a course that is not on this preapproved list, that's okay! Your academic advisor can help you facilitate further course evaluations while you prepare to go abroad.
