GLOBAL EDUCATION MINOR

Spend a semester in England and see your Global Education minor in an international context. At UA London, hosted by St. Mary's University, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the College of Education preapproved courses to satisfy many of your Global Education minor requirements.

Plus, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Course availability varies per semester and can be subject to change.
