

# HUMAN DEVELOPMENT & FAMILY SCIENCE

Study abroad in England and see your major through a global lens. At UA London, hosted by St. Mary's University, you can choose from a variety of courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the Norton School of Human Ecology preapproved courses to satisfy many of your Human Development & Family Science requirements. The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies and can be subject to change.

*Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting [studyabroad.arizona.edu/global-tracks](http://studyabroad.arizona.edu/global-tracks).*
