UA Aix-en-Provence

INTERDISCIPLINARY STUDIES

Spend a semester in France and study your major through a global lens. At UA Aix-en-Provence, hosted by the Institute for American Universities, you can choose from a variety of courses to satisfy your degree requirements, including general education and electives with the approval of your academic advisor. To make choosing courses easier, faculty in the College of Humanities preapproved courses to satisfy many of your requirements. Plus, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Course availability varies by semester and may be subject to change. Refer to the program webpage for current offerings. Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting studyabroad.arizona.edu/global-tracks.

Remember, every student is on a different path towards graduation so the best way to plan for studying abroad is to work directly with your academic advisor. To use the table of preapproved courses, please consult this key:

AMENT = Arts, Media, and Entertainment
ECI = Economy and Industry
GIU = Global and Intercultural Understanding
STHS = Science, Technology, Health and Society
SBHU = Social Behavior and Human Understanding
