

## LAW

Spend a semester in Italy and study Law through a global lens. At UA Rome, hosted by the American University of Rome, you can choose from a variety of courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the School of Government & Public Policy preapproved courses to satisfy many of your Law major and minor requirements. Plus, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.
