

LAW

Study abroad in South Africa and study Law through a global lens. At UA South Africa, hosted by North-West University, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the School of Government & Public Policy preapproved courses to satisfy many of your Law major and minor requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.
