

# LEADERSHIP AND LEARNING INNOVATION

Spend a semester in the Costa Rica and study Leadership and Learning Innovation through a global lens. At UA Costa Rica, hosted by Veritas University, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the College of Education preapproved courses to satisfy many of your Leadership Learning and Innovation major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.
