LEADERSHIP AND LEARNING INNOVATION

Study abroad in Spain and see Leadership and Learning Innovation through a global lens. At UA Madrid, hosted by the Institute for American Universities, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the College of Education preapproved courses to satisfy many of your Leadership and Learning Innovation major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.
