## LINGUISTICS

Study abroad in Greece and see Linguistics through a global lens. At UA Athens, hosted by the American College of Greece, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the Linguistics Department preapproved courses to satisfy many of your Linguistics major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.

***Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting [studyabroad.arizona.edu/global-tracks](https://studyabroad.arizona.edu/global-tracks).***

Always keep in mind, every student is on a different path towards graduation. Working directly with your academic advisor to choose the courses you'll take abroad is always recommended!
