

# MUSIC

Study abroad in Italy and see Music through a global lens. At UA Rome, hosted by the American University of Rome, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses even easier, faculty in the School of Music preapproved courses to satisfy many of your Music major requirements. The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Courses availability varies per semester and can be subject to change.
