

# NEUROSCIENCE & COGNITIVE SCIENCE

Study abroad in Spain and see Neuroscience & Cognitive Science through a global lens. At UA Madrid, hosted by Institute for American Universities, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses even easier, faculty in the Department of Neuroscience & Cognitive Science preapproved courses to satisfy many of your Neuroscience & Cognitive Science major requirements. The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Courses availability varies per semester and can be subject to change.
