

NURSING

Spend a semester in Australia and study Nursing through a global lens. At UA Sydney, hosted by University of Technology Sydney, you can choose from a variety of courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the College of Nursing preapproved courses to satisfy many of your major prerequisite requirements. The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting studyabroad.arizona.edu/global-tracks.

Nursing majors should always discuss study abroad with their academic advisors as early as possible! Nursing course sequencing should be planned far in advance, with the help of an academic advisor, if studying abroad is in your goals. Don't hesitate to connect with your advisor right away to discuss studying abroad at UA Sydney!
