

THE UNIVERSITY OF ARIZONA
Study Abroad

UA Athens

NUTRITION & DIETETICS

Spend a semester in Greece and study Nutrition & Dietetics through a global lens. At UA Athens, hosted by the American College of Greece, you can choose from a variety of courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the Nutritional Sciences & Wellness Department preapproved courses to satisfy many of your major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Course availability varies by semester and may be subject to change. Refer to the program webpage for current offerings. *Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting studyabroad.arizona.edu/global-tracks.*

UA ATHENS COURSE	APPLICABILITY TO NUTRITION & DIETETICS
BI 3434: Biochemistry	BIOC 385: Metabolic Biochemistry

UA ATHENS COURSE	APPLICABILITY TO NUTRITION & DIETETICS
BI 1016: Human Biology: Genetic and Evolutionary Aspects of Life	ECOL 223: Human Genetics and Evolution Satisfies Nutrition Major Elective
BI 1101: Introduction to Biology II	ECOL 182R & 182L: Introductory Biology II with Lab Satisfies Nutrition Major Elective
BI 3204: Human Genetics	ECOL 320: Genetics Satisfies Nutrition Major Elective
BI 3215: Environmental Health	ENVS Department Elective, Upper Division Satisfies Nutrition Major Elective
BI 3235: Cell and Molecular Biology	MCB 411: Molecular Biology Satisfies Nutrition Major Elective
BMS 3220: Microbiology and Infectious Diseases	MIC Department Elective, Upper Division Satisfies Nutrition Major Elective
BMS 4510: Allergy and Immunity	PSIO 431: Biomechanics of Human Movement Satisfies Nutrition Major Elective
BMS 4530: Bioinformatics and Health Information Systems	ELCR Department Elective, Upper Division Satisfies Nutrition Major Elective
BMS 4540: Topics in Pathophysiology	PSIO Department Elective, Upper Division Satisfies Nutrition Major Elective
BMS 4635: Pharmacology in Health and Disease	ELCR Department Elective, Upper Division Satisfies Nutrition Major Elective
HM 1001: Introduction to Healthcare Management	MGMT Department Elective, Lower Division Satisfies Nutrition Major Elective
HNS 2250: Debunking Pseudoscience: A Scientific Approach	ELCR Department Elective, Lower Division Satisfies Nutrition Major Elective
HSE 2215: Human Consciousness: From Brain to Subjectivity	PSY Department Elective, Lower Division Satisfies Nutrition Major Elective
PS 1001: Psychology as a Social Science	PSY Department Elective, Lower Division Satisfies Nutrition Major Elective
SM 2015: Introduction To Sport Psychology	ELCR Department Elective, Lower Division Satisfies Nutrition Major Elective
SO 3007: Health and Society	ELCR Department Elective, Upper Division Satisfies Nutrition Major Elective

Please note: If you plan to apply to a health professional program, you must consult with your Pre-Health academic advisor to ensure the courses you choose to take abroad will be accepted by your future program as there may be some restrictions on international credits in your application. This may also require you to contact the admissions team for the specific program you intend to apply to.
