

PERSONAL & FAMILY FINANCIAL PLANNING

Take your Personal & Family Financial Planning major abroad to Italy and gain an international perspective on your degree! Personal & Family Financial Planning majors are encouraged to work with their academic advisor to discuss when they should plan to study abroad. Our partner institution, the American University of Rome, offers a variety of courses to choose from that may be used to satisfy your degree requirements, including general education classes, with the approval of your academic advisor.

To make choosing courses easier, faculty in the Norton School of Human Ecology preapproved courses to directly satisfy requirements in your Personal & Family Financial Planning major.

The best part? You get to pay your University of Arizona tuition and can use your scholarships and financial aid, including **AZ Excellence** and **Wildcat Excellence** awards!
