

PHARMACEUTIAL SCIENCES

Spend a semester abroad in Australia and see your major through a global lens. At UA Sydney, hosted by the University of Technology Sydney, you can choose from a variety of courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the R. Ken Coit College of Pharmacy preapproved courses to satisfy many of your Pharmaceutical Sciences major requirements. The best part is, you'll pay your regular University of Arizona tuition and get to use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.
