

THE UNIVERSITY OF ARIZONA
Study Abroad

UA Athens

PHYSIOLOGY & MEDICAL SCIENCES

Spend a semester in the Greece and study Physiology & Medical Sciences through a global lens. At UA Athens, hosted by American College of Greece, you can choose from a variety of courses to satisfy your degree requirements, including general education, with the approval of your Academic Advisor.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Studying abroad is an excellent complimentary experience for your STEM coursework, as it gives you a hands-on opportunity to expand your soft and cross-cultural skills and gain a competitive edge when pursuing your continued academic and professional goals. To make choosing courses easier, faculty in the Physiology Department preapproved many UA Athens courses to your Physiology & Medical Sciences major requirements.

Collaborate with your Academic Advisor to choose which courses are best for you! Course availability varies per semester and can be subject to change.

*Learn more about **Global Tracks** for your major, connect with your academic advisor, and start your study abroad application by visiting studyabroad.arizona.edu/global-tracks.*

Using these preapproved course lists as a guide, it is imperative that you work with your Academic Advisor to choose courses that can satisfy your Physiology & Medical Sciences major requirements. Though faculty in the Physiology Department preapproved these courses, you may find additional course options while submitting your UA Athens application. Work directly with your Academic Advisor to discuss which courses are best for you!

| UA ATHENS COURSE | APPLICABILITY TO PHYSIOLOGY & MEDICAL SCIENCES MAJOR |
|--|--|
| BI 1101: Introduction to Biology II | ECOL 182R: Introductory Biology II & 182L: Introductory Biology II Lab |
| BI 3204: Human Genetics | ECOL 320: Genetics |
| BI 3434: Biochemistry | BIOC 385: Metabolic Biochemistry |
| CH 1002: Principles of Chemistry | CHEM 151: Chemical Thinking I |

Upper Division PSIO Courses: you may select up to two courses from the major electives list below. Please consult with your Academic Advisor for more information.

| UA ATHENS COURSE | PREAPPROVED PHYSIOLOGY & MEDICAL SCIENCES MAJOR ELECTIVES |
|---|---|
| BMS 4510: Allergy and Immunity | PSIO 431: Physiology of the Immune System Satisfies Major Elective |
| BMS 4540: Topics in Pathophysiology | PSIO Department Elective, Upper Division Satisfies Major Elective |
| BMS 4635: Pharmacology in Health and Disease | PSIO Department Elective, Upper Division Satisfies Major Elective |

Please note: If you plan to apply to a health professional program, you must consult with your Pre-Health Advisor to ensure the courses you choose to take abroad will be accepted by your future program as there may be some restrictions on international credits in your application. This may also require you to contact the admissions team for the specific program you intend to apply to.
