

## POLITICAL SCIENCE

Study abroad in Madrid and see Political Science through a global lens. At UA Madrid, hosted by the Institute for American Universities, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the School of Government & Public Policy preapproved courses to satisfy many of your Political Science major requirements. The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Course availability varies by semester and may be subject to change. Refer to the program webpage for current offerings. *Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting [studyabroad.arizona.edu/global-tracks](https://studyabroad.arizona.edu/global-tracks).*
