

PUBLIC RELATIONS

Study abroad in France at UA Aix-en-Provence, hosted by Institute for American Universities, and choose from a variety of English taught courses to satisfy your requirements, including general education, with the approval of your academic advisor. To make choosing courses easier, faculty in the Communication Department preapproved courses to satisfy many of your major requirements. Plus, you can gain international work experience by applying for a Global Internship. After receiving your internship placement, connect with your academic advisor to discuss how to seek approval to satisfy your internship requirement. You'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Course availability varies by semester and may be subject to change. Refer to the program webpage for current offerings. *Learn more about Global Tracks for your major, connect with your academic advisor, and start your study abroad application by visiting studyabroad.arizona.edu/global-tracks.*
