

AGRICULTURAL TECHNOLOGY MANAGEMENT & EDUCATION

Study abroad and explore Agricultural Technology Management & Education through a global lens! At UA Athens, hosted by American College of Greece, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the Department of Agricultural Education, Technology & Innovation preapproved courses to satisfy many of your major requirements. The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.
