### UA Sydney

Spend a semester or academic year abroad and see intercultural business in action in Australia. At UA Sydney, hosted by the University of Technology Sydney, you can choose courses that could satisfy requirements for your major, minor, general education, and general electives all with the approval of your academic advisor. The best part is, you'll pay your regular UArizona tuition and can use your scholarships and financial aid, like **AZ Excellence** and **Wildcat Excellence** awards!

The Eller College of Management recommends participating in the UA Sydney program during the second semester of your upper-division program, after you have been professionally admitted to your major. Remember, every student is on a different path towards graduation so the best way to plan for studying abroad is to work directly with your Eller global advisor to discuss which courses will be best for your academic and professional goals. Get ready to go abroad and get ahead at UA Sydney!

Choose from the following pre-approved Business core, major, and Economics minor courses:
