BUSINESS MINORS

UA Barcelona

Spend a summer, semester, or the full academic year abroad and see international business in action in Spain. At UA Barcelona, hosted by the Institute for American Universities, you may choose from a variety of courses to satisfy your degree requirements with the approval of your academic advisor. The best part is, you'll pay your regular UArizona tuition and can use your scholarships and financial aid, like **AZ Excellence** and **Wildcat Excellence awards!** The Eller College of Management pre-approved a handful of courses at UA Barcelona that may be applicable to your minor in Business Administration, Economics, or Marketing as well as the Sports Management Certificate/minor. Remember, every student is on a different path towards graduation so the best way to plan for studying abroad is to work directly with your Eller global advisor to discuss which courses will be most appropriate to take abroad to satisfy your minor requirements.

Choose from a variety of courses including these preapproved Eller minor options:
