

# COMMUNICATION

Spend a summer, semester, or the academic year abroad in Italy and see intercultural communication theories play out before your eyes. At UA Rome, hosted by the American University of Rome, you can choose from a variety of courses to satisfy your degree requirements, including general education, with the approval of your academic advisor. To make choosing courses easier, faculty in the Communication Department preapproved courses to satisfy many requirements in your Communication major or minor.

The best part is, you'll pay your regular University of Arizona tuition and can use your scholarships and financial aid, like **AZ Excellence** and **Wildcat Excellence** awards!

Always keep in mind that every student is on a different path towards graduation, so the best way to plan for studying abroad is to work directly with your academic advisor to discuss which courses will be best for your academic and professional goals.

\*Course availability varies by term and can be subject to change.
