

## B.A. GEOSCIENCE & SOCIETY

Study abroad in Greece and see Geoscience & Society through a global lens. At UA Athens, hosted by the American College of Greece, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses even easier, faculty in the Department of Geosciences preapproved courses to satisfy many of your B.A. Geoscience & Society major requirements.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!
