

## NATURAL RESOURCES

Spend a semester abroad in Greece and study natural resources through an international lens at UA Athens, hosted by the American College of Greece. Choose from a variety of courses to satisfy your degree requirements, including general education classes, with the approval of your academic advisor. Additionally, to help making choosing courses easier, faculty in the School of Natural Resources pre-approved courses to satisfy requirements in your Natural Resources major.

The best part is, you'll pay your regular University of Arizona tuition and get to use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Get ready to go abroad and get ahead at UA Athens!

\* It is highly encouraged that you discuss courses marked with an asterisk with your academic advisor prior to enrolling.

Please Note: If you plan to apply to a professional program such as a DVM program, you must consult with the school's admission team to ensure the courses you choose to take abroad will be accepted by your future program as there may be some restrictions on international credits in your application.
