

NATURAL RESOURCES

Spend a semester abroad in Australia and see natural resources through a global lens. UA Sydney, hosted by the University of Technology Sydney, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty in the School of Natural Resources preapproved courses to satisfy requirements in your Natural Resources major.

The best part is, you'll pay your regular University of Arizona tuition and get to use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Get ready to go abroad and get ahead at UA Sydney! *Course availability varies per semester and can be subject to change.
