

NUTRITION & HUMAN PERFORMANCE

Spend a semester in Australia and study Nutrition & Human Performance through a global lens. At UA Sydney, hosted by the University of Technology Sydney, you can choose from a variety of courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses even easier, faculty in the Nutritional Sciences & Wellness Department preapproved courses to satisfy many of your Nutrition & Human Performance major requirements. The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

*This course represents a Business Management and Leadership elective with a specialized focus on Australian sports. While it is encouraged for you to explore this regionally specific area of the sports industry, please take **no more than one** of these courses to satisfy your Business Management and Leadership electives.

Please note: If you plan to apply to a health professional program, you must consult with your Pre-Health academic advisor to ensure the courses you choose to take abroad will be accepted by your future program as there may be some restrictions on international credits in your application. This may also require you to contact the admissions team for the specific program you intend to apply to.
