

THE UNIVERSITY OF ARIZONA  
Study Abroad

**UA London**

# PHYSIOLOGY & MEDICAL SCIENCES

Spend a semester in the England and study Physiology & Medical Sciences through a global lens. At UA London, hosted by St. Mary's University, you can choose from a variety of courses to satisfy your degree requirements, including general education, with the approval of your academic advisor.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Studying abroad is an excellent complimentary experience for your STEM coursework, as it gives you a hands-on opportunity to expand your soft and cross-cultural skills and gain a competitive edge when pursuing your continued academic and professional goals. To make choosing courses easier, faculty in the Physiology Department preapproved many UA London courses to satisfy major electives in your Physiology & Medical Sciences major.

Collaborate with your Academic Advisor to choose which courses are best for you!

\*Course availability varies per semester and can be subject to change.

Using these preapproved course lists as a guide, it is imperative that you work with your academic advisor to choose courses that can satisfy your Physiology & Medical Sciences major electives. It may be necessary to consider the level of each course you select as courses numbered in the 4000s at UA London are considered lower division and courses in the 5000s and 6000s are upper division. Course availability varies each semester and can be subject to change.

**Lower Division PSIO Courses:** You may select **no more than one course** from this list, and **only if you have not taken PSIO 101**. Please consult with your Academic Advisor for more information.

UA LONDON COURSE	APPLICABILITY TO PHYSIOLOGY & MEDICAL SCIENCES MAJOR
<b>NUT 4037: Introductory Physiology and Biochemistry</b>	PSIO Department Elective, Lower Division <b>Major Elective</b>
<b>SPS 4011: Physiology of Exercise</b>	PSIO Department Elective, Lower Division <b>Major Elective</b>
<b>SPS 4060: Fundamentals of Biomechanics</b>	PSIO Department Elective, Lower Division <b>Major Elective</b>

**Upper Division PSIO Courses:** You may select **one or two courses** from this list. Please consult with your Academic Advisor for more information.

UA LONDON COURSE	APPLICABILITY TO PHYSIOLOGY & MEDICAL SCIENCES MAJOR

<b>SPS 6042: Applied Biomechanics</b>	PSIO Department Elective, Upper Division <b>Major Elective</b> – <i>recommended only for students who have previously taken PSIO 441</i>
<b>STC 5006: Neuromechanics of Human Movement</b>	PSIO Department Elective, Upper Division <b>Major Elective</b>

**Please note:** If you plan to apply to a health professional program, you must consult with your Pre-Health academic advisor to ensure the courses you choose to take abroad will be accepted by your future program as there may be some restrictions on international credits in your application. This may also require you to contact the admissions team for the specific program you intend to apply to.
