UA Sydney

PHYSIOLOGY & MEDICAL SCIENCES

Spend a semester in the Australia and study Physiology & Medical Sciences through a global lens. At UA Sydney, hosted by the University of Technology Sydney, you can choose from a variety of courses to satisfy your degree requirements, including general education, with the approval of your academic advisor.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Studying abroad is an excellent complimentary experience for your STEM coursework, as it gives you a hands-on opportunity to expand your soft and cross-cultural skills and gain a competitive edge when pursuing your continued academic and professional goals. To make choosing courses easier, faculty in the Physiology Department preapproved many UA Sydney courses to satisfy major electives in your Physiology & Medical Sciences major.

Collaborate with your Academic Advisor to choose which courses are best for you!
