

THE UNIVERSITY OF ARIZONA  
Study Abroad

*UA Sydney*

# PHYSIOLOGY & MEDICAL SCIENCES

Spend a semester in the Australia and study Physiology & Medical Sciences through a global lens. At UA Sydney, hosted by the University of Technology Sydney, you can choose from a variety of courses to satisfy your degree requirements, including general education, with the approval of your academic advisor.

The best part is, you'll pay your regular University of Arizona tuition and can use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards!

Studying abroad is an excellent complimentary experience for your STEM coursework, as it gives you a hands-on opportunity to expand your soft and cross-cultural skills and gain a competitive edge when pursuing your continued academic and professional goals. To make choosing courses easier, faculty in the Physiology Department preapproved many UA Sydney courses to satisfy major electives in your Physiology & Medical Sciences major.

Collaborate with your Academic Advisor to choose which courses are best for you!

\*Course availability varies per semester and can be subject to change.

Start planning by contacting your academic advisor: [physiology.arizona.edu/undergraduate-students/undergraduate-program/academic-advising](https://physiology.arizona.edu/undergraduate-students/undergraduate-program/academic-advising)

Using this preapproved course list as a guide, it is imperative that you work with your academic advisor to choose courses that can satisfy your Physiology & Medical Sciences major requirements. Though faculty in the Physiology Department preapproved these UA Sydney courses, you may find additional course options while submitting your UA Sydney application. Work directly with your academic advisor to discuss which courses are best for you! Course availability varies each semester and can be subject to change.

UA SYDNEY COURSE	APPLICABILITY TO PHYSIOLOGY & MEDICAL SCIENCES MAJOR
<b>65202: Organic Chemistry I</b>	<b>CHEM 241A:</b> Lectures in Organic Chemistry & <b>243A:</b> Organic Chemistry Lab I

**Please note:** If you plan to apply to a health professional program, you must consult with your Pre-Health academic advisor to ensure the courses you choose to take abroad will be accepted by your future program as there may be some restrictions on international credits in your application. This may also require you to contact the admissions team for the specific program you intend to apply to.
