

## PUBLIC HEALTH

Spend a semester abroad in Spain and see your Public Health major through a global lens. At UA Barcelona, hosted by Institute for American Universities, you can choose from a variety of English taught courses to satisfy your degree requirements, including general education with the approval of your academic advisor. To make choosing courses easier, faculty from The College of Public Health preapproved courses to satisfy requirements in your Public Health major. The best part is, you'll pay your regular University of Arizona tuition and get to use financial aid and scholarships, including **AZ Excellence** and **Wildcat Excellence** awards! Course availability varies per semester and can be subject to change.
